

LINES FICTION  
**FILMSCREENING**  
**CALL FOR SUBMISSIONS**  
Deadline: April 18, 2022

Exhibition: June 18 - August 24, 2022  
Venue: GALERIE IM KÖRNERPARK  
Schierker Strasse 8, 12051 Berlin-Neukölln

Accompanying the exhibition ANONYMOUS DRAWINGS 2022  
the project LINES FICTION presents a FILM SCREENING with ANIMATIONS and  
DRAWING FILMS in the GALERIE IM KÖRNERPARK in Berlin, Germany.  
The screening is preceded by an OPEN CALL FOR INTERNATIONAL SUBMISSIONS.

About LINES FICTION: Drawing on paper and drawing in film are complementary poles  
that cannot do without each other. On the internet platform LINES FICTION the Berlin-  
based artist Bettina Munk gathers international artists who understand their drawings as  
equal to their animations. It is shown how both media inspire and complement each  
other.

**Submission:** We are looking forward to animated films that are hand-drawn and  
animated frame by frame, as well as animations whose moving images are created on  
the computer. We look forward to comics as well as experimental strips.  
The decisive factor is the connection to the drawing / graphic / line.

- The animation must be submitted as an **mp4 file**.
- **Format 16:9 or 4:3**
- **Maximum length 8 minutes.**
- **For the soundtrack:** Please make sure that the music of your film does not violate  
GEMA rights. We can only accept **GEMA-free** music on the soundtrack.

The animations will be assembled into a **film screening** and shown - **with the names of  
the authors** - in June/August as part of the exhibition ANONYME ZEICHNER at the  
Galerie im Körnerpark Berlin.
